Club Meeting

Thursday 28th September is the first club meeting of the season.

Important club business will be discussed so be there.

There will also be a Buy and Sell as well as the usual Bring and Brag so bring a plane if you can and a few treasures that you could bare to part with.

Mighty brief issue!

I agreed to take over Skywords and duely assembled material only to find on Sunday as I put the thing together that I have a software problem and can't import anything onto my page. So this is perhaps the shortest issue of Skywords on record.

Thanks to those that sent me material, I'll get things sorted out and put it in next month.

Meanwhile the best way to find out what's going on is to come to the meeting Thursday 7PM Burlington Central Library on New Street.

Skywords is edited by Tom Gwinnett who is responsible for all errors
